Wagtail Wines

The Wagtail range is an exciting line-up of premium wines from specific wine regions throughout Australia. With over 60 different wine regions to choose from, we've concentrated on bringing you top-rating varieties and blends from the most renowned regions.

The range includes:

- Riesling (Adelaide Hills)
- Chardonnay (Yarra Valley)
- Pinot Noir (Yarra Valley, Adelaide Hills & Strathbogie Ranges)
- Shiraz (Barossa)
- Shiraz Grenache (McLaren Vale)

Our philosophy behind Wagtail is to work with winemakers that are known in their region for producing exceptional wines from specific varieties. For this reason, every wine within the range is made by a different winemaker.

Screw-cap closures have been chosen over traditional cork, to ensure the wines' bright, fresh flavors are retained (free of cork taint). The convenience of the screw-cap closure is an added bonus!

Wagtail Symbolism

The Willie Wagtail (*Rhipidura leucophrys*) is one of the best known and best loved birds of Australia. It is a small black bird with a white belly that is never still for more than a few moments. Willie Wagtails are commonly seen running in short bursts across the ground, wagging their tails playfully from side to side.
