2006 WEST CAPE HOWE Shiraz Western Australia

On the nose, intense, ripe raspberry characters with smoky oak and white pepper. A rich, intense palate showing concentrated raspberry, plum and dark berry fruit characters. White pepper notes are evident and nicely balanced with the chary, smoky oak flavors. The finish is long with touches of very fine tannin.

2007 LONGVIEW "Yakka" Shiraz Adelaide Hills

Aromas of red berries, white pepper and sweet spices. A silky textured palate, this is a seamless Shiraz, elegantly balanced with black currant and dark cherry flavors dominant. It has toasty oak characters, perfectly balanced tannin and a long, clean finish.
