2006 WEST CAPE HOWE Shiraz Western Australia

"Roasted meat, floral notes, peppery spice...sounds rather nice. Add in silky tannins, hints of coffee and blueberry and a long finish, and you have a pretty wine at a realistic price. Drink now-2014." **Joe Czerwinski**

2007 LONGVIEW "Yakka" Shiraz Adelaide Hills

"Not a typically fruit-driven Shiraz, Longview's 2007 Yakka boasts pungent scents of smoke, leather and marinated beef, then delivers earthy, meaty flavors. It's full in the mouth, with a creamy texture that turns chewier on the finish—perfect alongside rare beef or lamb. Drink now-2018." **Joe Czerwinski**
