"I always serve this wine at parties. Everyone loves it. The blend of cab, shiraz and merlot has something for everyone. Excellent value."

"I love this wine.. it is by far my favorite. I serve it to my friends who really do not have a taste for red wine but they always seem to love this one. Try it and you might be as addicted as I am. I never knew I would love a "Cheap" wine but this doesn't taste "Cheap" It is a perfect blend in my opinion... I'm always stocked!"

"I am very fond of this great wine. In summer I love to chill out in the evenings with a glass of this wine and some light snacks. It leaves a lingering taste in the mouth which is very gentle. I feel as if I am surrounded by berries!"

"This is my favorite wine. I bought a glass of it in a small wine shop and loved it! Bought the last two bottles they had left in stock. Last year I bought a case from Salute! Wine Market and now I'm back to buy some more! I believe it's the blend that makes it so good. I just love this wine!"

"I bought two bottles of this on a recommendation from one of the helpful staff at Salute. It is priced right and its delicious. Its the perfect blend for a wine that one can enjoy anytime. We are buying a case (if possible) the next time we go back to Salute."
