Respected Wine Competition

LONGVIEW WINS GOLD IN 2009

◆ 2007 “Yakka” Shiraz

The cool climate of the Adelaide Hills has produced the elegant and refined Yakka Shiraz. The wine expresses a deep, vibrant color, ripe plum and blackberry fruit with a hint of black olive, soy and vanilla. This wine shows subtle characters, superb balance and flavor, a long palate and velvety tannins. The lasting qualities of this wine have earned it the title of Yakka – an Australian icon synonymous with hard work and longevity.

◆ 2007 “Devil’s Elbow” Cabernet Sauvignon

Intense violet and ripe blackcurrant fruit, with complex tones of clove spice and mint, typical of the Adelaide Hills cool climate. Devil’s Elbow Cabernet Sauvignon is an abundant mouthful of rich fruit flavor, 12 months in French oak barriques adding subtle oak characters to the long, lingering tannin finish. Devil’s Elbow Cabernet Sauvignon inherits its name from the once notorious Adelaide Hills corner of that name.
