2008 Neudorf Nelson Chardonnay

Best Value
New Zealand
Wines of the Year

Bob Campbell MW
North & South Magazine (NZ), Dec 2009

"If you're a card-carrying member of the "Anything But Chardonnay" (ABC) club, you obviously haven't tasted this wine. It is to chardonnay what Sir Ed was to mountain climbing... Nelson Chardonnay is a sleek, sexy and sophisticated wine with mineral, oak and delicate toasted-nut flavours beautifully interwoven and delivered with a taut yet silken texture. Serve it with oysters and the earth may move a little... It makes the best examples look pretty pedestrian."
