2008 Pikes “The White Mullet”

“... Pikes Mullet is a Riesling/ Viognier/ Sauvignon Blanc/ Chenin Blanc blend which confounds the sceptics and defies belief by tasting incredibly complex, as it should do, but also downright delicious at the same time (which most don't). Mullets all round please.”

Highly respected wine writer and MW Jancis Robinson has her own rating system. VGV means 'very good value'. This year Pikes White Mullet has achieved a rating of 17 points out of 20, and thus easily makes it into the VGV category.

“VGV - inspired, zesty, full, truly intriguing blend at a good price. Really easy to like - complete and broad on the palate.”
