2008 PONGA SAUVIGNON BLANC

“Light and juicy with just enough grapefruit flavor to let you know it’s a Sauvignon Blanc without overwhelming you with citrus flavors. Great for seafood, sushi, appetizers, or on the patio.”

Light and crisp with just enough citrus to be refreshing without beating you over the head with it, this white from New Zealand was the perfect complement to a lunch of cheese, crackers, hummus, and home made bruschetta that my wife and I enjoyed this past weekend. That being said, I would definitely recommend pairing the Ponga with a piece of spicy tilapia or even some sushi.

If you’re in the market for a deck wine and don’t want to spend a lot of money on it, the Ponga Sauvignon Blanc is a great value with a great taste. Half the fun of drinking it is just saying the name, but you’ll get a lot of enjoyment drinking this on the deck as the temperature continues to climb. Grab this one.”
