2008 ST KILDA CHARDONNAY

87 POINTS – Tanzer's International Wine Cellar

"Light yellow-gold. Fresh melon and green apple aromas are deepened by a gentle brown spice note. Light-bodied orchard fruit flavors pick up a tangy lemony quality with air, which adds verve and back-end cut. Easygoing and straightforward chardonnay with good energy for the money." Josh Reynolds

88 POINTS – The Tasting Panel (CA)

"Fresh and juicy with lots of charm; bright peach and citrus fruit with silky texture; crisp, a terrific value." Anthony Dias Blue, April 2010

Benito's Wine Review

"Peach, apricot, minerals, full-bodied with lots of fruit, big brassy acidity." Ben Carter, January 2010

2008 ST KILDA SHIRAZ

87 POINTS – Tanzer's International Wine Cellar

"Bright red. Fresh raspberry and cherry on the nose. Jammy red and dark berry flavors are round and nicely focused. Plump, easygoing and tannin-free, if simple. The finish is pliant and juicy, with good clarity and a lingering blackberry quality." Josh Reynolds

Benito's Wine Review

"Spice and black cherry, light body, smooth, short finish. Touch of green pepper, espresso. Serve with grilled lamb or pork and a savory sauce. While smoother than your stereotypical Aussie Shiraz, you're still going to want a flavorful main course to go along with this wine."

Ben Carter, January 2010
