WILFREDA

Special Wine Vertical from Gibson

2003 Wilfreda

91 POINTS: The Wine Advocate

"The 2003 Wilfreda is a gorgeously complex, southern Rhone-like red made from a blend of 52% Shiraz, 36% Mourvedre, and 12% Grenache (whose vineyards average 30 years of age). Its classic bouquet of pepper, garrigue, cassis, cherries, raspberries, plums, and earth could easily be mistaken for a high class Chateauneuf du Pape. Dense and full-bodied, with superb fruit, supple tannin, and loads of soul as well as character, it should be consumed over the next 5-7 years." **Robert Parker**

2004 Wilfreda

92 POINTS: The Wine Advocate

92 POINTS: James Halliday's Australian Wine Companion

"The 2004 Wilfreda, a blend of 50% Shiraz, 38% Mourvedre, and 12% Grenache aged in old French and American wood, exhibits loads of flowery, spicy, garrigue, strawberry, and cherry characteristics. Medium to full-bodied, dense, surprisingly elegant, and well-balanced, this fruity red should drink well for 5-7 years."

Robert Parker

2005 Wilfreda

92 POINTS: James Halliday's Australian Wine Companion

"A generous, immediately welcoming style with both red and black fruits at perfect ripeness; has more structure, depth and conviction than other similar Barossa Valley blends." **James Halliday**
