## 2008 WAGTAIL COONAWARRA CABERNET SAUVIGNON

Introducing the latest addition to our Wagtail range – a Cabernet Sauvignon from the renowned Aussie red region, Coonawarra.

### To whet the appetite...

- Color:** Vibrant ruby red with purple hues.
- Nose:** Lifted cassis, dark chocolate and spice with hints of mint and dusty, toasty oak.
- Palate:** A firm textured wine with chalky tannins and choc mint and black currant fruit. Rich and full bodied, this wine has balanced acid, elegant cabernet fruit flavors, firm tannins and integrated oak.

### The region:

Coonawarra is renowned as one of Australia's finest wine regions and is particularly known for producing world class red wines especially Cabernet Sauvignon. Its secret lies in a magical marriage of rich red terra rossa soil, limestone, pure underground water and a long cool ripening season for the grapes.
