# IMPORTANT ANNOUNCEMENT

## STOCK OUT – SILVERWING SHIRAZ

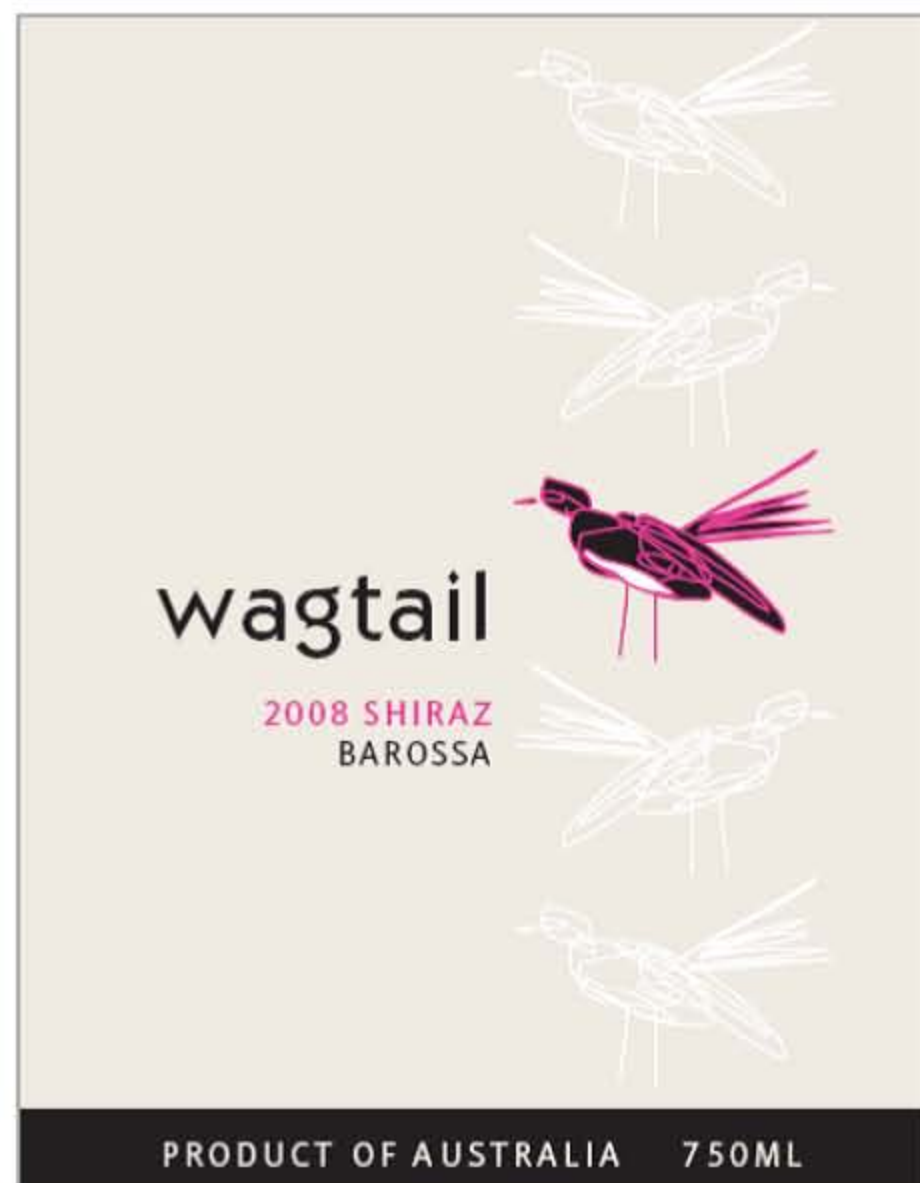

TCV would like to advise that Silverwing Shiraz has sold out.

Due to a larger than expected order from retail chain customer, Total Wine & More (our primary customer for Silverwing), combined with a short supply from our producer, we have now depleted all stocks of the 2007 and 2008 Silverwing Shiraz. We envisage the new 2009 Silverwing Shiraz to be available April/May 2010 TBC.

## CONSIDER – WAGTAIL SHIRAZ!

As an alternative, consider 2008 Wagtail Shiraz

Same wine in bottle as the Silverwing Shiraz, same price just different packaging. We have plenty of stock of this wine readily available!

An enticing bouquet of juicy blackberry and leather with hints of chocolate and coconut oak. Soft velvet tannins combined with rich and juicy fruit give a smooth and lingering mouth feel.
