## NEW LOOK LONGVIEW RED BUCKET

We are pleased to unveil edgy, new packaging for new releases...

### **2009 Longview Red Bucket Semillon Sauvignon Blanc**

The concentrated tropical fruit of Sauvignon Blanc is tempered by the restrained citrus of cool climate Semillon. A refreshing, elegant wine with a balanced and crisp finish.

### **2007 Longview Red Bucket Shiraz Cabernet**

*Champion (Trophy for "Best in Class") & Gold Medal - Houston International Wine Competition 2008*

Aromas of ripe, dark berry fruit and spice. The nose follows through beautifully to the palate, showing rich berry fruit with hints of pepper and spice. This vintage release is flavorsome, rich and balanced with well integrated oak and a long smooth finish.
